### House Appropriations Request FY 2011

**Project Name:** Homegrown Jobs Center  
**Recipient:** The North Carolina Rural Economic Development Center  
**Recipient Address:** 4021 Carya Drive

**Recipient City:** Raleigh  
**Recipient State:** North Carolina  
**Recipient Zip:** 27610

**Amount of Request:** \$750,000.00

#### Explanation of the request:

The requested funds will be used by the North Carolina Rural Economic Development Center to increase its outreach into rural communities by utilizing the Homegrown Jobs Center. This project is a worthy use of taxpayer funds because it will allow the Center to aggressively engage rural economically distressed communities through a series of outreach meetings designed to inform rural leaders about funding resources, provide technical assistance, and conduct a thorough analysis of the economic drivers on a regional and sub-regional basis that are likely to yield the most jobs in the coming years.

*In order to offer more opportunity for public scrutiny, I have posted information on each project request submitted to the Appropriations Committee at the time the request was made.*
